

Nature-Inspired Problem Solving

IEEE CIS

[www: cis.ieee.org](http://www.cis.ieee.org)

A leading Scientific, Technological and Professional Association focusing on nature-inspired problem solving paradigms, including theory, design, and applications.

- **CIS is a vibrant community, members acting as the leaders in their research fields of endeavor.**

Benefits:

- ✓ Receive electronic IEEE Computational Intelligence Magazine (CIM) , reporting technology trends
- ✓ Receive the CIS E-Letters, with the most up-to-dated information about the CIS field and events
- ✓ free online access to our major journals through IEEE Xplore.
- ✓ Watch a tutorial in our repository, participate in a competition, attend a summer school etc.
- ✓ Participate in CIS webinars or get a travel grant to attend a CIS sponsored conference!

Students:

- ✓ Receive scholarships and student travel grants to attend CIS conferences.
- ✓ Meet with CIS members through social networks,
- ✓ keep informed of the latest job positions
- ✓ Participate CIS-based competitions
- ✓ Have opportunity to find mentors
- ✓ Have opportunity to receive awards

Contact us: Jo-Ellen B. Snyder, Sr. Administrator, IEEE CIS
(j.e.snyder@ieee.org)

Women in Computational Intelligence (WCI):

Want to build a strong WCI-Community? Send your contributions to the WCI Sub-Committee Chair. Visit <http://cis.ieee.org/wci> to find out more

Distinguished Lecturers Program (DLP):

The DLP of CIS provides distinguished lecturers to Chapter events. Visit <http://cis.ieee.org/dlp> to find out more.

Join IEEE CIS NOW with half-price to

- ◆ Enhance your career choices and leadership role
- ◆ Participate in the activities of the Technical Committees on a subject of your interest
- ◆ Stay at the front end of technology, such as learning techniques and big data analytics
- ◆ Build your social connections
- ◆ and much more
